

REMARKS

By this amendment, claims 1, 5, 13, and 22 are revised to place this application in condition for allowance.

The claims are revised in response to the issues of indefiniteness raised in the outstanding Office Action. Since these revisions remove the objections and rejections of the claims and no prior art rejection is maintained, this application is now in condition for allowance. All pending claims should be allowed in view of the rejoinder of the non-elected claims.

In light of this response, the Examiner is requested to allow the application.

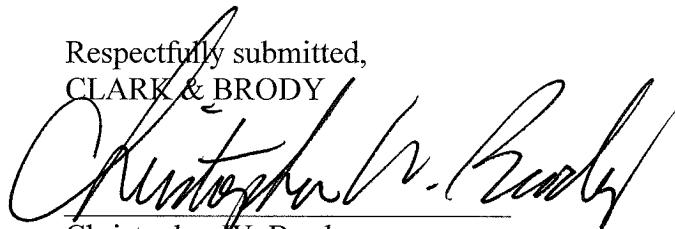

If a further interview is required to advance the prosecution, the Examiner is invited to telephone the undersigned.

The above is a complete response to the outstanding Office Action.

Again, reconsideration and allowance of this application is requested.

Please charge any fee deficiency to Deposit Account No. 50-1088.

Respectfully submitted,
CLARK & BRODY
